

Course on perfluorinated compounds (PFCs) in the environment and food

Faculty of Technology Novi Sad, University of Technology 16 December 2013

- 10.30-11.00 Registration
- 11.00-11.05 Welcome speech, Prof. Dr. Biljana Škrbić, Head of the Center of Excellence in Food Safety and Emerging Risks (CEFSER), Faculty of Technology
- 11.05-13.00 Practical session in the CEFSER Lab UHPLC/MS/MS analysis of PFCs
- 13.00-13.30 Coffee break
- 13.30-14.30 Pause
- 14.30-14.45 Spanish-Serbian research collaboration in the field of advanced chromatographic and mass spectrometric techniques in chemical safety analysis, Prof. Dr. Biljana Škrbić, Head of the Center of Excellence in Food Safety and Emerging Risks, Faculty of Technology
- 14.45-15.30 **Perfluorinated compounds in the environment**, Dr. Marinella Farré, Department of Environmental Chemistry, Institute of Environmental Assessment and Water Research, Barcelona
- 15.30-16.15 **Perfluorinated compounds in food matrices**, Francisca Pérez Fernández, Department of Environmental Chemistry, Institute of Environmental Assessment and Water Research, Barcelona
- 16.15-16.30 Summary

The course targets students, PhD students, post-docs, practitioners in analytical laboratories and other interested in the analysis of chemical contaminants in food and the environment with at least basic knowledge in analytical chromatographic techniques and ability to discuss and interact in English.

As the number of participants is limited, please register as soon as possible but not later than December 10, 2013, on e-mail: natasadjm@tf.uns.ac.rs.

After sending the confirmation of the registration, the organizer will informed all the participants about the final venue of the Course till December 12, 2013, by e-mail.
