

Institution	<ul style="list-style-type: none"> <li>Institute of Public Health of Vojvodina / Centre for Hygiene and Human Ecology</li> <li>Medical Faculty / Department of Pharmacy</li> </ul>
Faculty/Department/Laboratory	
Field of interest	Food Safety, Food analysis, Environmental monitoring
Type of organization	University <input checked="" type="checkbox"/> Research institute <input type="checkbox"/> SME <input type="checkbox"/> Large company <input type="checkbox"/> Other (please specify): Public Health Authority
Contact person	Ljilja Torović
Address	Romanijska 2
Postal code, address	21000 Novi Sad
Country	Serbia
Telephone	+381 64 4885299
E-mail address	ljilja.torovic@izjzv.org.rs
Web site	
Expertise (keywords)	Food safety, Food analysis, Environmental monitoring, Pesticides, PAHs, Mycotoxins, GSMS, HPLC
Relevant projects (starting from the most recent ones)*	
Title, number	“Synthesis of potential cytotoxic agents, antihormones enzyme inhibitors and growth stimulators” (1896)
Period of implementation (starting year-ending year)	2002.-2005.
Fund/program	Ministry of science and environmental protection , Republic of Serbia
Title, number	“Synthesis and physico-chemical analysis of biologically active compounds and their analogues” (02E32)
Period of implementation (starting year-ending year)	1996.-2000.
Fund/program	Ministry of science and environmental protection , Republic of Serbia
Relevant references in last five years (please underline the name of personnel from the institution)	<ul style="list-style-type: none"> <li>Popsavin M, Svirčev M, <u>Torović Lj</u>, Bogdanović G, Kojić V, Jakimov D, Spaić S, Aleksić L, Popsavin V.
